[nelson s trafalgar the battle that changed the world by](#)

Roy Adkins' book, "Nelson's Trafalgar," is a detailed well rendered version of the great sea battle that doomed any chance for Napoleon to claim control over the seas and invade Britain. The book is a blow by blow account of the planning for the battle and how the plans for each fleet--the English fleet and the Combined fleet of France and Spain--were implemented.

[nelson s trafalgar the battle that changed the world](#)

On October 21, 1805, as Britain's Royal Navy under the command of Horatio Nelson clashed with Napoleon's forces in an epic sea battle off the coast of Spain, the fate of Europe hung in the balance. Though the cost was high-and Nelson himself was killed-the British victory prevented Napoleon from invading Britain and paved the way for the eventual defeat of the French emperor.
